Hogan Assessment Certification

Learn to Interpret and Apply Hogan's Core Assessments

WHO YOU ARE, YOUR PERSONALITY, DETERMINES WHAT YOU DO.

Hogan Assessments are the most powerful measures of personality on the market; getting certified is an important step towards getting the most out of your assessment solutions.

Join us to find out why over half of Fortune 500 companies are Hogan certified.

The Hogan Assessment Certification Program is required for use of Hogan's assessment suite. The insights provided in this 4 half-days workshop will challenge and change the way you think about human nature, leadership, and performance.
